

# Buy fuel with ease and at a special member price using the Neste App

Did you know that at Neste stations you can pay for fuel at a special member price using a mobile application on your phone? So no more fishing out your wallet and cards when filling up! By adding your loyalty card in the application, you can always get gasoline at a special price.

## Why use the Neste App?

- You can use the mobile application to pay for gasoline at Neste stations.
- You can use the mobile application to pay for a car wash at Neste K stations without getting out of your car or waiting in line.
- You can see the nearest Neste stations in the application.
- The Neste App features benefits, offers and competitions. You can get the best benefits and offers by email or SMS by allowing messages from Neste.

## Enabling the service

You can download the Neste App and use it free of charge from the App Store or Google Play.

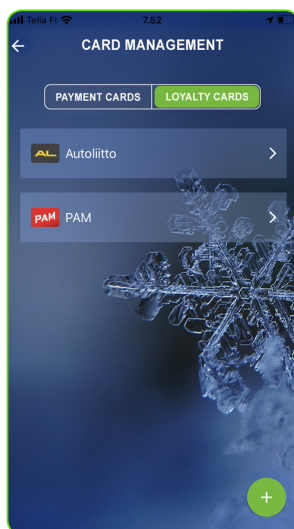

## Adding your loyalty card in the Neste App

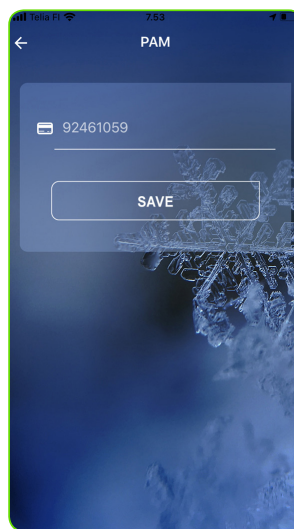

Open the application and go into settings using the three dots in the top right corner.

Select Card management and Loyalty cards.

You can add a new card here.

Add the number of your card and select Save.

The app makes it easy to fill up without a card or cash using your mobile phone, and you can also get your membership benefits by adding your loyalty card in the application.
